Rules & Schedule

With very few exceptions we play after the FIBA rules at the Tournament. Playing time is 4x 8 minutes in all divisions non Stop.

The group system shows 3/4 teams per group. First and second place of every group moves to the Play-Offs. Every other team reaches the Play-Downs. Teams that do not show up on time to their games and have not provided the office with a reasonable excuse one hour before the game starts, have to pay 50€. Teams that do not follow up on their scorer table duties pay 30€.

By any problem at the accomodation (ex. lost keys, dirty rooms) has the team to pay 100€. More over team representatives will have to sign an instruction sheet at the arrival at the office. We want to guarantee a stress free tournament for everybody.

A committee will be assembled in case of protests or disqualifications during the tournament, which consists of the game organizer, a referee official and an office representative. The decision of this committee is definitive. Protests have to be reported immediately or at least 1 hour after the game ended at the tournament office. The protesting team will have to pay a processing fee of 50€. If the protest turns out to be justified, the money will be payed back. A disqualification during a game leads to a suspension of one game and can be, after consultation with the affected player and referee, upgraded to an exclusion from the tournament. This decision also is definitive. The respective fines will be added to the deposit at the end of the tournament.

The organization allows the inspection of age limits with official papers at the tournament. The players are obliged to have their official ID's ready when they are in the gym. Unannounced checks are possible through the organization or through the courtmanagers. A violation of the age limit leads to the exclusion of the whole team from the tournament.
